Hi KSMT families!

Alison and Chris here! We are writing to personally ask if you would consider supporting your community's and child's favorite performing arts school and theater, Keystone State Music Theater, during its 2023 Brilliance in Musical Theater Annual Campaign!

New this year:

- directly sponsor enhancements to the lobby (\$250), lighting (\$500), or stage (\$900)
- donation & sponsorships of \$500+ will qualify for early-bird musical ticket purchases (as well as other benefits)
- a 10th Year Anniversary Sponsorship opportunity

There is no such thing as too small (or too grand) of a donation. For a decade, your donations have been making a difference and helping KSMT to impact lives positively on stage and beyond.

Here are some ways you can help KSMT:

- personal donations or sponsorships
- company donations or sponsorships
- sharing information about KSMT to family, friends, and co-workers

Thank you for being a part of the KSMT family!

Sincerely,

Chris & Alison Saunders
